Declaration on company policy

We hereby confirm that, in accordance with the requirements of the PEFC standard, our roundwood purchased for further processing in the sawmill is not:

- a) harvested timber from areas where traditional or civil rights are violated.
- b) harvested timber from non-PEFC forests that have a high conservation value and are currently under threat.
- c) harvested timber is from genetically modified organisms.
- d) is illegally harvested timber.
- e) is from forest plantations established at the expense of natural forests.

This letter is kept on our premises for public inspection at all times.
